

TarTan Specialty 2009

Columbus day was a cool but beautiful day for our Specialty this year. The Gordons didn't even notice that there was a significant nip in the air as they showed us what our beautiful black and tans can do in the ring. From sweeps to conformation, obedience and rally the dogs were a beautiful illustration of what our breed is about. We had a great turn out of humans as well, who despite the cool weather all seemed to have a fun day and how could they help it with the show, the best Raffle ever and a smorgasbord of a lunch that would be hard to beat. My thanks to all of the exhibitors, visitors and ESPECIALLY to the entire show committee who worked extremely hard to make this a great Specialty! See you next year with your entries! Robin Marshall

Membership Poll

Please take a moment and let me know if there is a show or location where you would like to see TarTan support the Gordon entry. Ideally, in addition to conformation, the show would also have obedience and/or agility/rally and junior showmanship. I will take a no response to mean it doesn't matter to you.

Please email your response to trilogygordons@aol.com (or phone me at 860-349-9472) or 860-593-3748 (cell) if you don't have email. I will accept your responses through December 31.

Thank you,

'Until one has loved an animal, part of their soul remains unawakened'

If I Didn't Have a Dog

I could walk around the yard barefoot in safety.
My house could be carpeted instead of tiled and laminated.

All flat surfaces, clothing, furniture & cars would be free of hair.
When the doorbell rings, it wouldn't sound like a kennel.

When the doorbell rings, I could get to the door without
wading through fuzzy bodies who beat me there.

I could sit on the couch and my bed the way I wanted,
without taking into consideration how much space
Several fur bodies would need to get comfortable.

I would have money, & no guilt to go on a real vacation.

I would not be on a first-name basis with numerous veterinarians, as I
put their yet unborn grandkids through college.

The most used words in my vocabulary would not be: out, sit, down,
come,
no, stay, & leave him/her/it ALONE.

My house would not be cordoned off into zones with
baby gates or barriers.

My house would not look like a day care center,
with toys everywhere.

My pockets would not contain things like poop bags,
treats and an extra leash.

I would no longer have to spell the words B-A-L-L,,
F-R-I-S-B-E-E, W-A-L-K,, T-R-E-A-T,, R-I-D-E,, GO

I would not have as many leaves INSIDE my house as outside.

I would not look strangely at people who think having ONE dog/cat ties
them down too much.

I'd look forward to spring and the rainy season instead of dreading
'mud' season.

I would not have to answer the question 'Why do you have so many
animals?' from people who will never have the joy in their lives of
knowing they are loved unconditionally by someone as close to an angel
as they will ever get.

How EMPTY my life would be!!!

'Until one has loved an animal, part of their soul remains unawakened'

Ch Sastya Trilogy Two For The Road

"Audrey"

OFA Excellent - CHIC #57504

(Ch NCM's Chairman Of The Board x Ch Sastya Sundance Free To Be Me JH)

Audrey finished from Open at the Nodrog Specialty, September 19, the 4th in her litter to finish from a Specialty and 6th to earn her championship.

We will be eternally grateful to Mary and John Grill for seeing all we saw in this beautiful girl, for sharing our faith in her, and "turning her around". Thank you Mary for your beautiful presentation and John for being her "best bud", and thanks to Erin, too.

After an absence of 7 months, she marched into the house like she'd never been gone, took over my bed, and promptly re-assumed her role as commander-in-chief (which she'd previously taken over after Emily's passing). Sam gave me a look that said, Oh crap! She's back!

You're really taking me home to my mom?!!!

TarTan Archives

To complete our records of Gordon Setters, we are in need of the following:

GSCA Newsletters from #1 through #27. Please advise what you are willing to donate so I can complete our records.

Also need several copies of the Catalog for the 1998 GSCA National Specialty, hosted by TarTan in Warwick, RI, as I can not find that any copies were kept for our records.

Thanks for all the CD's that I have been receiving – and thanks for dating them as well. Event names and dates are very important for all info sent to the Archives.
