Beginning of Best of Breed lineup.

AM/CAN CH. HERNWOOD DIAMOND LIL

Since Lillie didn't get to "play" at the TarTan Specialty this year, I thought it only appropriate that everyone should at least see her in all of her glory. Lillie is, first and foremost, the ultimate couch potato, but don't let a quail or a squirrel cross her path! She finished her Canadian championship as a youngster and, although shown sparingly in the States, finished her American championship with five majors, handled to all but the last by Judith. Kristin took her to Baltimore to get that last point and Lil, instead, took a major by winning the breed over a special. She now spends her time keeping Ronan in line and warming the sofa. Lil's next venture will be to finish her Junior Hunter title.

Bred by Peter and Christine Sandiford

Owned and loved by Jani Wolstenholme and Judith Brown
